1 PURPOSE

The purpose of this document is to detail the Regulations and Rules that each competitor for the 2024 Dunkeswell Kart Club IKR event (s) will follow and abide by. Failure to comply with the rules and regulations set within this document will incur a penalty or exclusion from the event.

The Event Organisers reserve the rights to amend/alter the regulations.

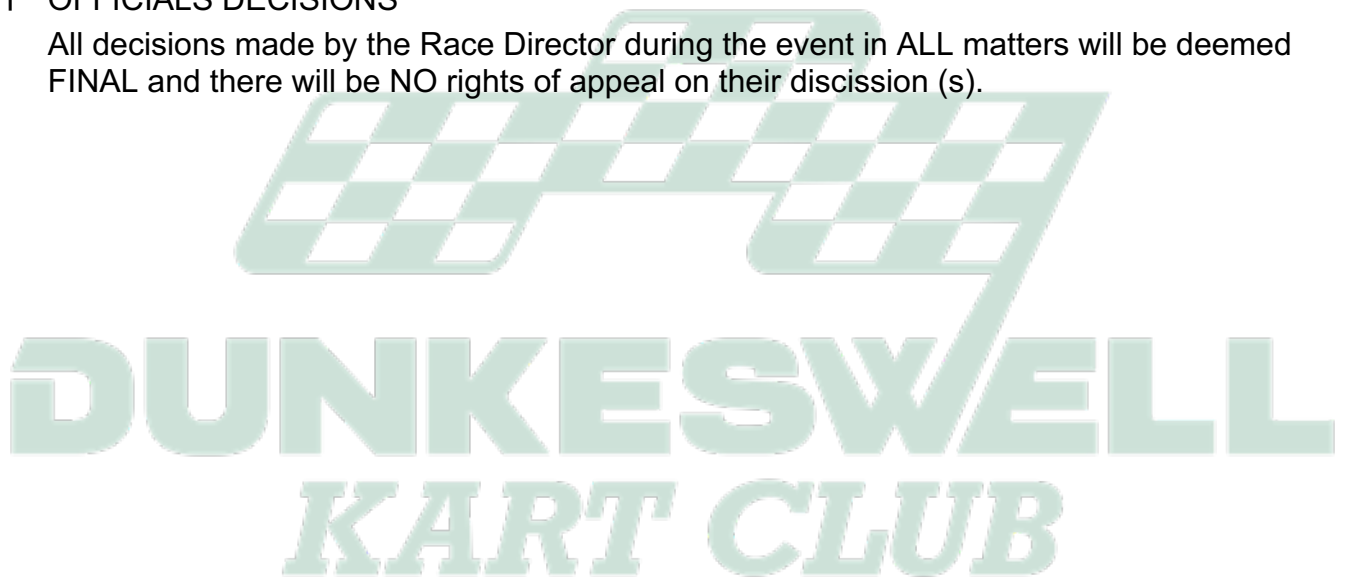

2 OFFICIALS

The 2024 Dunkeswell Kart Club IKR event (s) will have officials made up from the following list to adjudicate each event:

- Race Director/Clerk of the Course
- Deputy Clerk of the Course
- 2 x Track Observers
- 2 x Stewards
- Scrutineer/Safety Scrutineer

2.1 OFFICIALS DECISIONS

All decisions made by the Race Director during the event in ALL matters will be deemed FINAL and there will be NO rights of appeal on their discission (s).

DUNKESWELL KART CLUB IKR 2024

REGULATIONS AND RULES

3 JUDICIAL PROCEDURES

The Race Director/Clerk of the Course will be supported by any of the following individual's:

- Deputy Clerk of the Course
- 2 x Track Observers
- 2 x Stewards

The Clerk will issue all penalties with or without a judicial hearing.

Should a "Judicial Hearing" be required, a minimum of 2 members of the official's team listed above in section 3 shall discuss with the Race Director (s) prior to a penalty being applied.

4 PENALTY

Penalties will be applied at the Clerks discretion.

These will range from 5 to 10 seconds, exclusion or minus 1 lap.

This will apply to all Heats & Final.

A full list of Offense, Description of offence & Penalty are available (see Appendix A).

The competitor has the right to appeal.

Following an appeal all rulings by the Race Director (s) are final.

5 GENERAL REGULATIONS

Entry into the 2024 Dunkeswell Kart Club IKR event(s) is open to all.

All competitors must abide by the regulations set within this document and must comply with the rules of the appropriate classes.

There are no driver licensing requirements, except for those competing in the "Gearbox" class.

All "Gearbox" class competitors must hold a current MSUK licence.

5.1 DUMMY GRID

During the formation of the 'Dummy Grid' only one driver & one mechanic will be permitted.

The gate, on the left-hand side, at the front of the 'Dummy Grid' will be exit ONLY.

6 COSTS

The event entry cost will be £65 for Non-Members & for £60 for Members the 1-day event.

£10 will be allocated to a prize fund for each individual class.

The individual prize fund will be allocated across the classes as follows:

DUNKESWELL KART CLUB IKR 2024

REGULATIONS AND RULES

7.1 RACE EVENT FORMAT (GENERAL)

The Race Event format maybe subject to amendments.

DESCRIPTION	TIME
Mandatory Practice	3 Laps
Heat 1	8 Minutes + 1 Lap
Heat 2	8 Minutes + 1 Lap
Heat 3	8 Minutes + 1 Lap
Final	10 Minutes + 1 Lap

The mandatory practice will be made up of an Out Lap, 1x Full Lap & an In Lap.

The purpose of the mandatory practice will be for transponder checks.

The grid for Heat 1 will be generated via the Alpha Timing system

The grid for the Final will be generated from the points gained in the heats and are subject to any penalties received during the heats.

In the event of a tie in points for either pole position or any other position for the Finals the place shall be given to the driver with the highest placed finish in Heat 1.

Times are subject to change.

DUNKESWELL KART CLUB IKR 2024

REGULATIONS AND RULES

8 DRIVING STANDARDS

There will be a strict 'No Contact' rule applied to the meeting.

Avoidable contact will result in disqualification from the session.

Should any driver be deemed to have deliberately caused contact with another competitor they will automatically be excluded from the results and will take no further part in the event.

All marshals and officials will be deemed as judges.

More than one change of direction to defend a position is not permitted.

Any driver moving back towards the racing line, having earlier defended his/her position off-line, should leave at least one kart width between his/her own kart and the edge of the track on the approach to the corner.

Any driver defending their position on a straight, and before any braking area, may use the full width of the track during their, first move, provided no significant portion of the kart attempting to pass is alongside.

Whilst defending in this way the driver may not leave the track without justifiable reason.

For the avoidance of doubt, any kart attempting to pass, must be at least $\frac{3}{4}$ of a kart length alongside. This will be deemed to be as a 'significant portion'.

All competitors must take part in the mandatory practice.

9 RACE STARTS & FINISH

9.1 GENERAL

Heats will start with a formation lap from the "Dummy Grid".

Weaving from the "Dummy Grid", during the "Formation Lap" is not allowed. Failure to comply with this ruling will incur a penalty from the "Clerk"

All classes will race from either a "Rolling Start" or a "Standing Start" (Subject to class) from the completion of the "Formation Lap".

Any competitor entering the "Pits/Parc Fermée area" during the race or before the heat/final has completed will not be allowed to re-join the race, there is no exception to this ruling.

Track limits are as per circuit rules.

The "Pole Sitter" will control the "Slow" pace of the field during the "Formation Lap".

Prior to the start a "Pole Man Slow" board shall be shown at Marshall Post 5.

9.2 STANDING STARTS

There will be "Standing starts" for the Bambino and Gearbox classes.

The Gearbox class will receive 2 formation laps prior to gridding up.

The pole position and second place competitor shall control the pace up to the start/finish line (Under the Gantry) where all competitors shall be Grided Up prior to the start.

The start shall be controlled from the Gantry by the waving of either illuminated red lights being switched off or the waving of a Union Jack Flag.

If the light system is not available, the flag system will be used.

Timing Control will be known as judge of fact for any jump start infringements.

DUNKESWELL KART CLUB IKR 2024

REGULATIONS AND RULES

9.3 ROLLING START

There will be "Rolling Starts" for all other classes.

The pole position and second place competitor shall control the pace up to the start/finish line (Under the Gantry).

There will be NO accelerating before the 'acceleration line' marked by a Yellow line & cone at the side of the track.

There will be NO overtaking/changing lanes until the Illuminated Red Lights are switched off above the start finish line.

This will be deemed a False start and a "False Start" flag will be shown on all marshal posts or if the red lights stay illuminated this will signify a false start.

If there are TWO false starts (1st/2nd place accelerating too early) occur in any heats/pre-final/final, then the rolling lap will be STOPPED, 1st and 2nd place will be removed to the back of the grid and the rolling lap will recommence.

9.4 END OF RACE

The chequered flag will be shown at the end of each Timed Qualifying, Heat, Pre-Final & Final. If a race is stopped for ANY reason other than a completed race, then the following rules apply:

1) 25% or less of the race completed by the leader - race abandoned and that heat MUST be re-run. If heat is not re-run it will be declared as null and void.

2) If more than 25%, but less than 75% has been completed by the leader it will be the decision of the Clerk on the day of the meeting. This will usually be a grid restart or a single file rolling restart from the previous completed lap, as per the alpha timing system.

The grid start is only applicable to Bambino & Gearbox classes.

3) If 75% or more of the race has been completed by the leader, the race will be deemed to have ended. The race result shall be declared as of the LAST completed lap by the driver and before the race was stopped.

9.5 THE WINNER

The winner of each Heat & Final, will be that of who crosses the finish line whilst under chequered flag conditions, barring any penalties the competitor may have incurred.

DUNKESWELL KART CLUB IKR 2024

REGULATIONS AND RULES

For avoidance of doubt, cameras are NOT permitted to be attached to any part of the Crash Helmet or any part of the Race Suit, Gloves, Boots or by the wearing of a camera mounting harness (e.g., Chest Plate).

Cameras must be attached securely to the kart with secondary retention (Tethered).

The weight of the camera (excluding any additional casing, mounting, and associated fixing) must not exceed 100gms.

13 TRANSPONDERS

Mansell Raceway Alpha timing system uses the following transponder:

- AMB/MyLaps
- MyLaps X2
- 2020 MyLaps TR2

Transponders must be fitted to the rear of the driver's seat.

All competitors are to have their transponders fitted from the start of the mandatory 3 lap practice. This is to ensure that all transponders are being received via the timing system. It is each competitor's responsibility to report issues regarding timing to Race Control.

In the event of transponder failure/malfunction any laps/race times/results may be lost, there is no rectification that "Race Control" can do.

Should a competitor not set a time during timed qualifying due to any of the above circumstances then they will start at the rear of the grid for their respective session.

The position that is declared by Race Control will be deemed final.

THE EVENT ORGANISERS WILL NOT AND DO NOT HIRE TRANSPONDERS.
